Fabrication Method:

Cut

Fastener Length:

3.000 inches

Surface Treatment Location:

Head Style:

Flat

Head Diameter:

0.162 inches

Shank Diameter:

0.120 inches

Shank Style:

Smooth round

Point Style:

Diamond

Sterilized:

No

Decorative Head:

No

End Application:

Paslode 4wl26 nailer, cordless, frame and 4wl44 nailer, pneumatic

Special Features:

.120 x 3.00 inch x 30 degree round head smooth shank nails, hot dipped galvanized x collation type: paper x stick quantity: 36

Material:

Steel

Material:

Steel

Surface Treatment:

Zinc

Surface Treatment:

Galvanized

Unit Of Issue Weight:

21.00 pounds

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A04300
