Fabrication Method:

Cut

Fastener Length:

2.375 inches

Surface Treatment Location:

Head Style:

Flat

Head Diameter:

0.162 inches

Shank Diameter:

0.113 inches

Shank Style:

Ring

Point Style:

Diamond

Sterilized:

No

Decorative Head:

No

End Application:

Paslode 4w126 nailer, cordless, frame and 4w144 nailer, pneumatic

Special Features:

.113 x 2 3/8 inch x 30 degree round head ring shank nails, hot dipped galvanized x collation type: paper x stick quantity: 37

Material:

Steel

Material:

Steel

Surface Treatment:

Zinc

Surface Treatment:

Galvanized

Unit Of Issue Weight:

15.00 pounds

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A04300
