Head Style:

Flat

Diameter:

Between 0.180 inches and 0.190 inches

Effective Length:

2.906 inches

Under Head Length:

3.000 inches

End Application:

Dla/army issue

Hardness Rating:

80.0 rockwell b

Pin Head Diameter:

Between 0.297 inches and 0.327 inches

Product Name:

Pin, grooved, clevis w/retaining ring

Special Features:

Pin matl is 18-8 stainless steel; retaining ring matl is type ph 15-7 mo stainless steel, type e (p/n 98408a126)

Height:

Between 0.050 inches and 0.070 inches

Material:

Stainless steel

Style Designator:

Groove

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
