Product Name:

Gear lock pin assembly

Special Features:

Drawing conforms to dod-std-100c; thread locking compound mil-s-22473 grade e iaw navsea; refer to drawing 6401666 for list parts

Material Specification:

Ansi y14.5h-1982 national std/spec all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
