#### **Product Name:**

Gear lock pin assembly

### **Special Features:**

Drawing conforms to dod-std-100c; thread locking compound mil-s-22473 grade e iaw navsea; refer to drawing 6401666 for list parts

## Material Specification:

Ansi y14.5h-1982 national std/spec all material responses

### Shelf Life:

N/a

## Unit Of Measure:

--

# Demilitarization:

No

#### Fiig:

A212a0
