**End Application:**

Airport surveillance radar 9 (asr9)

**Special Features:**

Used in drive unit assembly (gearbox/reducer) (p/n: 43569-1022) machine key, undersized, square end type; 1 3/4 length, 1/4 in square, -0.002 in thickness tolerance, -0.030 in length tolerance, tensile strength 64, 000 psi, rockwell hardness b85, holds pulleys and gears on transmission shafts

**Material:**

Steel

**Style Designator:**

Plain

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A212a0
