First End Style:

Oval

Large End Diameter:

0.1733 inches

Pinlength:

2.25 inches

Pin Size Designation:

1

End Application:

Sounding rod

Second End Relationship With First End:

Identical

First End Location:

Both ends

First End Outer Radius:

0.172 inches

Material:

Stainless steel

Specification Data:

80205-nas-24692 national std/spec

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
