Overall Length:

1.500 inches

Diameter:

0.375 inches

End Application:

2 in. 900lb asme valve

Product Name:

Groove pin

Material:

Nickel alloy 400

Material Specification:

Qq-n-281, cl a federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
