Overall Length:

0.500 inches

Diameter:

0.480 inches

Material Thickness:

0.060 inches

Expanded Diameter:

0.530 inches

Product Name:

Side entry saddle clamp backshell bushing

Special Features:

Color-black, operating temp rng -75c to 180c

Material:

Rubber silicone class q

Material Specification:

Rt-1140 mfr ref single material response

Style Designator:

Coiled

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A212a0
