Overall Length:

0.50 inches

Diameter:

0.0625 inches

Material Thickness:

0.012 inches

End Application:

Tools

Special Features:

Materialis grade 1070-1090 steel. Finish is black oxide. Does not meet military specifications.

Material:

Steel

Surface Treatment:

Oxide

Style Designator:

Slotted

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A212a0
