Overall Width:

0.125 inches

Underloop Length:

2.000 inches

End Application:

Scuttle, balli

Material:

Stainless steel

Material Specification:

24665 military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0

Mil-std (military Standard):

spec.
