End Application:

Bolt carrier assembly "mk-11"

Product Name:

Bolt, pin

Special Features:

Length 1.0 in, pin diameter 0.2 in, weight 5 gr, coating is surface treated military specification type 2, class 3

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0

Mil-std (military Standard):

spec.
