Fastener Length:

1.250 inches

Head Style:

Universal

Head Height:

0.040 inches

Shank Diameter:

0.094 inches

Shank Style:

Straight w/radius chamfered tip

Head Major Diameter:

0.187 inches

Heat Treatment:

Annealed

Material:

Aluminum alloy 1100

Material Specification:

Mil-w-7986, h14 military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A040a0

Mil-std (military Standard):

Mil-w-7986 spec.
