Fastener Length:

0.937 inches

Head Style:

Universal

Head Height:

0.054 inches

Shank Diameter:

0.125 inches

Shank Style:

Straight w/radius chamfered tip

Head Major Diameter:

0.250 inches

Material:

Aluminum alloy 1100

Material Specification:

Qq-a-430 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A040a0
