**Fastener Length:**

1.125 inches

**Head Style:**

Universal

**Head Height:**

Between 0.080 inches and 0.090 inches

**Shank Diameter:**

0.188 inches

**Shank Style:**

Countersunk (undrilled)

**Head Major Diameter:**

Between 0.356 inches and 0.394 inches

**Material:**

Iron alloy 660

**Material Specification:**

Ams 5737 assn standard single material response

**Specification Data:**

96906-ms9403 government standard

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A040a0
