Fastener Length:

2.035 inches

Shank Diameter:

0.375 inches

Lubrication:

Cetyl alcohol

Material:

Titanium alloy uns r56400

Material Specification:

Ams4967 assn standard single material response

Surface Treatment:

Aluminum

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528u0
