Fastener Length:

1.000 inches

Head Style:

Brazier

Shank Diameter:

0.125 inches

Shank Style:

Straight

End Application:

Sub engineering and diesel system

Grip Length:

0.6000 inches

Product Name:

Hinge pin

Special Features:

Hardware, nssn class submarine, condensate pump control panel and assembly

Material:

Copper alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A040a0
