Head Style:

Countersunk w/protruding stud

End Application:

Tug boat

Min. Tensile Strength (psi):

562000 pounds per square inch

Minimum Yield Strength:

499000 pounds per square inch

Product Name:

Standard blind rivets

Material:

Steel comp 316

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A040a0
