End Application:

NSN:-23-200-1318

Product Name:

Rivet

Special Features:

Stainless steel rivet; rivet and mandrel length 1.625; mandrel thickness .076; rivet thickness .127; top of rivet head width .245

Material:

Steel mandrel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A040a0
