Head Style:

Flush countersunk

Shank Style:

Pin-riquet, tapered, threaded

End Application:

Tristar airframe

Product Name:

100 degree flush shear head h-11 steel alloy 1/16" grip variation - 1/64" oversize

Special Features:

Thread: 5/16-24unjf-3a modified

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A528u0
