Head Style:

Flush countersunk

End Application:

Tristar airframe

Product Name:

Protruding shear head titanium 1/16" grip variation - 1/32" oversize

Special Features:

Thread: 10-32unjf-3a modified

Material:

Titanium

Thread Series Designator:

Unjf

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A528u0
