Fastener Length:

1.050 inches

Head Style:

Button

Head Height:

0.060 inches

Shank Diameter:

0.188 inches

Shank Style:

Self-plugging

Head Major Diameter:

0.394 inches

End Application:

Self serve laundry, expeditionary

Product Name:

Rivet, button head

Special Features:

Per mcmaster carr part number has multiple sources and oem could not be provided

Material:

Steel mandrel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A040a0
