Shoulder Diameter:

0.265 inches

Flange Diameter:

0.500 inches

Overall Length:

0.567 inches

Product Name:

Navy special project

Material:

Aluminum alloy 2024

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625 type 1 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A05400

Mil-std (military Standard):

Mil-a-8625 spec.
