Casehardening Indicator:

Not casehardened

Usage Design:

External

Material:

Steel, ams 5613

Material:

Steel comp 410

Material Specification:

Ams 5613 assn standard single material response

Surface Treatment:

Oxide

Surface Treatment:

Black oxide, mil-c-13924

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T252-g
