Flange Diameter:

Between 0.328 inches and 0.331 inches

Length:

0.375 inches

Insert Size:

0.250-20 nc class 3

Features Provided:

Individually keyed

Material:

Steel comp 1117

Material Specification:

Aisi assn standard single material response

Surface Treatment:

Cadmium

Style Designator:

Serrated

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03100
