Flange Diameter:
Between 0.328 inches and 0.331 inches
Length:
0.375 inches
Insert Size:
0.250-20 nc class 3
Features Provided:
Individually keyed
Material:
Steel comp 1117
Material Specification:
Aisi assn standard single material response
Surface Treatment:
Cadmium
Style Designator:
Serrated
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A03100
