**Flange Diameter:**

0.593 inches

**Length:**

0.625 inches

**Insert Size:**

0.562-12 nc class 3

**Features Provided:**

Individually keyed

**Material:**

Steel comp 1117

**Material Specification:**

Aisi assn standard single material response

**Surface Treatment:**

Cadmium

**Style Designator:**

Serrated

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A03100
