Hole Diameter:

Between 0.203 inches and 0.218 inches

Overall Height:

0.625 inches

Large Flange Outside Diameter:

0.625 inches

Grommet Construction Type:

Solid

Material:

Rubber

Material Specification:

Zz-r-768a military specification single material response barrel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A05400

Mil-std (military Standard):

spec.
