Flange Diameter:

0.354 inches

Length:

0.375 inches

Insert Size:

0.500-20 nf classs 3a

Material:

Steel comp 1117

Material Specification:

Aisi assn standard single material response

Surface Treatment:

Cadmium

Style Designator:

Serrated

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03100
