Flange Diameter:

Between 0.593 inches and 0.596 inches

Length:

0.875 inches

Insert Size:

0.562-12 nc 3a

Material:

Steel comp 1117

Material Specification:

Qq-s-633-canceled federal specification single material response

Surface Treatment:

Cadmium

Style Designator:

Serrated

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03100
