Flange Diameter:

0.187 inches

Length:

1.000 inches

Insert Size:

0.165 od

Material:

Steel comp 303

Material Specification:

Qq-s-763, cond a federal specification single material response

Surface Treatment:

Passivate

Style Designator:

Blind

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03100
