Flange Thickness:

0.179 inches

Length:

Between 0.547 inches and 0.577 inches

Width Across Flats:

0.469 inches

Fin Diameter:

Between 0.454 inches and 0.465 inches

Thready Qty Per Inch (tpi):

28

Thread Size:

0.250 inches

Material:

Steel

Surface Treatment:

Cadmium and chromate

Surface Treatment Specification:

Qq-p-416, type 2, class 3 federal specification single treatment response

Style Designator:

Slotted

Thread Series Designator:

Unf

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03100
