Cross Sectional Shape:

Round

Casehardening Indicator:

Not casehardened

Outside Diameter:

1.380 inches

Material Diameter:

0.045 inches

Usage Design:

Internal

Material:

Steel, qq-w-470

Material:

Steel uns k08500

Material Specification:

Qq-w-470 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T252-g
