Shoulder Diameter:

0.403 inches

Flange Diameter:

0.750 inches

Material Accommodated Thickness:

0.656 inches

Hole Type:

Plain

Features Provided:

Grommet

Flange Thickness:

0.033 inches

Insert Style:

Protruding flange

Hole Diameter:

0.256 inches

Product Name:

Navy special project

Material:

Stainless steel

Surface Treatment:

Passivate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A05400
