Flange Diameter:

0.685 inches

Overall Length:

0.500 inches

Sleeve Diameter:

0.375 inches

Hole Type:

Plain

Features Provided:

Potting hole

Flange Thickness:

0.060 inches

Hole Diameter:

0.257 inches

Material:

Steel

Surface Treatment:

Cadmium

Surface Treatment Specification:

Qq-p-416 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A05400

Mil-std (military Standard):

spec.
