Flange Diameter:
Between 0.365 inches and 0.385 inches
Length:
Between 0.440 inches and 0.460 inches
Insert Size:
0.245 in. Min, 0.265 in. Maximum od
Features Provided:
Individually keyed
Special Features:
Dry film lubricant finish
Material:
Steel comp 304
Material Specification:
Aisi assn standard single material response
Style Designator:
Serrated
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A03100
