Hole Diameter:

Between 0.110 inches and 0.114 inches

Overall Height:

0.325 inches

Large Flange Outside Diameter:

0.437 inches

Product Name:

Navy special project

Color:

Black barrel

Material:

Plastic barrel

Material Specification:

Mil-m-14, type sdc military specification single material response barrel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A05400

Mil-std (military Standard):

Mil-m-14 spec.
