Criticality Code Justification:

Zzzy

Material:

Steel comp 416

Material Specification:

Astm a582 assn standard single material response

Style Designator:

Serrated

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A03100
