Flange Diameter:

0.500 inches

Length:

0.285 inches

Insert Size:

Shank0.250 in. Dia

Features Provided:

Internal thread locking

Thready Qty Per Inch (tpi):

32

Thread Size:

0.190 inches

Material:

Steel

Material Specification:

Aisi c1137 assn standard single material response

Surface Treatment:

Cadmium

Surface Treatment Specification:

Qq-p-416 type 1 cl3 federal specification single treatment response

Thread Series Designator:

Unf

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03100
