Cross Sectional Shape:

Rectangular

Casehardening Indicator:

Not casehardened

Major Thickness:

0.100 inches

Criticality Code Justification:

Zzzy

Material:

Steel, stainless

Material:

Stainless steel

Reference Number Differentiating Characteristics:

Requires special cleaning and packaging for oxygen and nitrogen service

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T252-g
