Nonmetallic Hardness Rating:

118.0 rockwell r

Groove Depth:

0.060 inches

Flange Thickness:

0.140 inches

Overall Height:

0.320 inches

Overall Width:

0.980 inches

First Hole Diameter:

Between 0.250 inches and 0.260 inches

Second Hole Diameter:

Between 0.250 inches and 0.260 inches

Small Flange Radius:

0.380 inches

Grommet Construction Type:

Solid

Grommetlength:

1.500 inches

Color:

Natural

Material:

Plastic polyhexamethylene adipamide

Material Specification:

L-p-410 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A05400
