Casehardening Indicator:

Not casehardened

End Style:

90 degree parallel

Ring Style:

Straight gap

End Application:

1055-01-192-0357 launcher, rocket, arm

Material:

Aluminum alloy, qq-a-250/11, t6

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11, t6 federal specification single material response

Surface Treatment:

Enamel

Surface Treatment:

Enamel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T252-g
