Postlength:

0.812 inches

Post Shank Diameter:

0.125 inches

Post Base Diameter:

0.625 inches

Special Features:

0.190-32 unf-3b thd hole

Material:

Stainless steel

Material Specification:

Ams 5659 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A05400
