**Cross Sectional Shape:**

Round

**Casehardening Indicator:**

Not casehardened

**Outside Diameter:**

Between 4.700 inches and 4.800 inches

**Ring Style:**

Double leg offset

**Material Diameter:**

Between 0.140 inches and 0.160 inches

**Usage Design:**

External

**Material:**

Steel, qq-w-470

**Material:**

Steel uns k08500

**Material Specification:**

Qq-w-470 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T252-g
