**End Application:**

Spec item

**Special Features:**

Thickness 0.025 to 0.036; 30 feet in length

**Color:**

Green

**Material:**

Steel comp 301

**Material Specification:**

Ams5517 assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A05400
