Hole Type:

Threaded

Features Provided:

All metal locking element

Flange Thickness:

0.043 inches

Insert Style:

Flush flange

Product Name:

Grommet type all metal locking fastener

Special Features:

Alodine finish

Material:

Aluminum alloy 2024

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A05400
