Hole Diameter:

0.671 inches

Flange Thickness:

0.090 inches

Overall Height:

0.200 inches

End Application:

Mrap; m-atv; cougar iss

Grommet Style:

Round

Large Flange Outside Diameter:

1.000 inches

Groove Outside Diameter:

0.800 inches

Grommet Construction Type:

Solid

Product Name:

Turret valve grommet

Special Features:

Grommet designed as primary seal between turret type tire valve and rim; hardness rating designated as 70 durometer

Color:

Black

Material:

Rubber silicone

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A05400
