**Casehardening Indicator:**

Not casehardened

**End Application:**

Hardware; moored training ship

**Special Features:**

Material is gun metal

**Material:**

Copper alloy, qq-c-390, alloy 903

**Material:**

Copper alloy 903

**Material Specification:**

Qq-c-390, alloy 903 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T252-g
