Thread Pitch Diameters:

+0.0071/+0.0072 inches

Thread Direction:

Right-hand

Thread Length:

1.000 inches

Length:

1.000 inches

End Application:

Prowler ea-6b aircraft

Insert Size:

0.138-32

Thready Qty Per Inch (tpi):

32

Thread Size:

0.138 inches

Special Features:

Dry film lubricant

Material:

Stainless steel

Material Specification:

Ams57245 assn standard 1st material response

Style Designator:

Coil

Thread Series Designator:

Unc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03100
