**Thread Direction:**

Right-hand

**Thread Length:**

0.164 inches

**Length:**

0.164 inches

**End Application:**

Marc shelter 20

**Insert Size:**

0.164 in od

**Thready Qty Per Inch (tpi):**

32

**Thread Size:**

0.164 inches

**Material:**

Stainless steel actuator arm

**Material Specification:**

18-8stainless steel mfr ref 1st material response actuator arm

**Style Designator:**

Coil

**Thread Series Designator:**

Unc

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A03100
